2010 Probus Car Rally

October 7th was a beautiful fall day with nature at its very best. It was a perfect day for our car rally with super weather and great colours. There were 117 participants in 29 cars. We noticed the O.P.P. had been alerted but fortunately they only seemed interested in B.M.W.'s. Whew!! Off we went armed with water and a snack bar for sustenance and thank goodness based on the distance some of us traveled. Members were seen in Grafton, almost in Rice Lake and reports did come in from Bracebridge. Believe what you will. Somehow all managed to reach our final destination even with some of the aforementioned side trips. Great laughter seemed the order of the day with various counts of bridges and picnic tables which had been strewn around the route. Following a very different route we ended up in the Oddfellows Lodge(which somehow seems appropriate) on Hwy 28. A delicious beef dinner with all the trimmings was there. The winning team based on their time was Al Poppke, Sandra Poppke, Rena Thorneycroft, and Winnie Gerrow. Draw prizes included the beautiful Pumpkin & Flower Centrepieces and bottles of liquid refreshment. By the way there were 10 bridges, 66 picnic tables, and we traveled 94.1 km IF you didn't stray. A good time was had by all including the Rookie Planners, Andy Durno, Murriel Cole, Ed and Marg Godawa.

My wife and I were sitting at a table at her high school reunion, and she kept staring at a drunken man swigging his drink as he sat alone at a nearby table. I asked her, "Do you know him?"

"Yes", she sighed, "He's my old boyfriend.... I understand he took to drinking right after we split up those many years ago, and I hear he hasn't been sober since." "My God!" I said, "Who would think a person could go on celebrating that long?"

And then the fight started...

THE LUNCH BUNCH

On September 24th at Frenchie's we had a taste of "Old Montreal". We feasted on delectable food prepared by the owner and chef, Laurence, and served by her cheerful and competent waitress, Rachel.

The atmosphere was friendly and cozy and there was lots of laughter and many good comments about the food.

Feedback from members has given us the opportunity to return with a few suggestions for the owner which we will pass on in due course.

Overall it was an enjoyable experience and we will plan on returning.

October 28th we are returning to that great old standby The Matterhorn. Be prepared for breaded schnitzel, spatzli, a hose salad with various dressings and coffee or tea. Price is about \$14.00ea Sign up today.

PROBUS GOLF FINALE

A typical Scottish summer day for the final Hurrah for the Probus golfers..grey and cloudy at Cobourg Creek Golf Course. We had a light rain, then intermittent rain, and then another light rain. Fortunately for the most part the worst of it held off until the end. This all made coming inside even more enjoyable. There were a total of 36 golfers and then delightfully and additional number of 19 arrived for dinner and frivolity.

The Mill Restaurant provided wonderful liquids and an even better dinner of steak, chicken or salmon with assorted vegetables and salad. Great food.

Speaking of salmon, it was lots of fun standing on the bridge on the 9th hole watching these powerful beasts fight their way upstream. A little like the fight to make a birdie.

There was some stellar golf as one would expect after a season of practice. Prizes were generously donated by Cobourg Creek Golf Club, Shelter Valley Pines G.C. and by Caseys .
Lowest Team Score: Stan Maggs, Walter Smith, Jim O'Shea, Harold Coward

Most Honest Team: Bill Alls, Frank Crowley, John Ellery, Ann Hollis

Longest Drive Men & Women: Jim O'Shea Anne Gordon

Closest to the Line Men & Women: Lloyd Margles Nancy Thomas

Closest to the Pin Men & Women: Jim O'Shea Anne Margles

Our thanks go to John and Cheryl Ellery as well as the absent Ian Rogerson for ensuring we all had a terrific day, even without memorable golf.

Be sure to check Sue Lanctot's album for the graphic record.
